log heap and burn it. This they did, all taking part therein but Polly, whose mind seems to have given way that night, and to whom the whole scene seemed, as she testified, a dream. The remains of Sally were discovered next day-nothing being left but a bit of the spine and skull, a rib or two. some portion of the abdomen, and the outline of the swelling shoulders and hips ter of a mile-even less-distant, was "Lord have mercy! spit it up!" He subsou's." They were taken to Taylorsville, occupying the cage, a room grated with iron on the top and sides, the sons killed their mother by choking her. All that is known of this last is, that Eli, being questioned as to it said, "When I got awake, she was dead." Indictments were found against James and his sons for the murder of Sally, and against his sons for the murder of Jane. Owing to the excitement prevailing in Alexander county, their counsels removed their trial to Caldwell county. Many medical men visited them peculiar malignity towards the mselves; in jail, and six heard the trial and testified they believed, or pretented to believe as to their opinion of their sanity. Three that he was trying to destroy them, and were of belief that they were insane, two that he must be driven away by physical that they were sane, and one was doubtful. prowess; they were seen, at the command After a three days' trial before a jury of Male for the State, and an able and learn-

Radicals.

Horace Greeley has written to the editor of the Wheeling Intelligencer a letter, in which he gives the Southern Radicals generally a bit of advice, full of the strong common sense characteristic of the man. The letter is as follows:

NEW YORK TRIBUNE, New York, November 18, 1868. My Dear Sir-I have yours of the 16th. Its Every year one thousand of your rebels die. chised in spite of you, and the blacks will be left

the question will be, Shall they amnesty you?

HORACE GREELEY.
